

To Whom it MAY Concern:

With great enthusiam I must relay
my experiences working with

MR. JAN GAUDINA

I have known Mr. Gaudina since Jan. 2021
I purchased a Golden Retriever puppy From him.
He was professional, + Took time to explain how
to CARE of my new puppy

I was so happy + impressed with his
follow ups. He contacted me, asking how the
new puppy was doing. Also asked for photos of the
happy puppy in a new home.

Because of Mr. Gaudina's wonderful help
and Teaching me of how To take care of puppy
I purchased another Golden Retriever puppy from
Mr. Jan Gaudina.

I went to his home, where he kept puppies
clean and warm.

If a question arises, Mr. Gaudina returns my calls
+ Texts with a helping attitude.

It was a pleasure to work with such
knowledgeable + caring puppy handler.
